LEGO® MINDSTORMS® Education NXT

Recognised partner and dealer of LEGO® Education

LEGO MINDSTORMS Education NXT is the next generation in educational robotics, enabling pupils to discover Control, Science, Technology and Maths in a fun and hands-on way.

Develop curriculum skills for pupils by building and programming these smart robots in an engaging step-by-step learning process.

Enables groups of pupils to build, program and control robots. Each LEGO kit includes:

- A programmable NXT Brick
- 3 interactive servo motors
- Sensors including ultrasonic and sound
- A rechargeable battery
- Connecting and converter cables
- LEGO TECHNIC bricks
- Building instructions
- Storage system

Each set includes:

1 x LEGO kit
(worth £172.50)

1 x transformer/charger
(worth £8)

Postage, packing & U.K. delivery
(worth £7.50)
