Students Comments

I like 2calculate but I found task 4 a bit confusing

My favourite thing about 2calculate is that I learnt new skills

My favourite thing about 2calculate is it's fun simple and to do with computers

My favourite thing about 2calculate is it is fun and simple

It was interesting and I learnt a lot

My favourite thing about 2calculate is that you work on a computer instead of sheets. It was fun.

I enjoyed it because although it was maths it made it more fun as well as quite easy!

I like it but some things are challenging

My favourite thing about 2calculate is using laptops and doing maths.
